Request iPortal Access

An iPortal userid is requested through MIS for new users. Those who previously had an IDW account will use the same userid, however, if they have not logged into the iPortal it is likely that their password will have expired and will need to call the help desk to have it reset.

1. Navigate to MIS at https://mis.doe.gov/
2. Click login
3. Enter your username and password to login
4. Click "Authenticate Me"
5. Select DOE Corporate Applications
6. Select Application Access Request
7. Verify information is accurate and update as necessary
8. Click Update/Continue
9. Select iPortal (IDW)
10. Certify that you are not an integrated contractor and complete all other relevant fields
11. Select Lajos Grof-Tisza as your approver
12. Submit your application and await your new userid and password from the Help Desk
